August 2024

President's Page

We have now progressed into August with the planning of our key events for the rest of the year providing for regular competition, social and register events is an ongoing task organised by our Committee members and Club volunteers. We have scheduled something every week to provide maximum member benefit.

I would like to welcome three members who have volunteered to assist the Club:

The **Concorso Director** for Spettacolo 2024 is **Bruce Roberts**: concorso@alfaclubvic.org.au;

The **939 Register Captain** (159, Brera & Spider) is **Karen Mansell**: 939Register@alfaclubvic.org.au; &

The **940 Register Captain** (Giulietta & Mito) is **Pam Chambers**: 940Register@alfaclubvic.org.au

On **Sunday 11th August** the Club has another **New Member Breakfast** at *Brunetti Classico* in Carlton. All members are welcome to attend, Breakfast commences at 8:30am and runs until 10:30am – or until you can't eat another cannoli! Join us in welcoming our new and recent members.

August Club Night will be held on Wednesday 14th at the *Veneto Club* in Bulleen. The meeting commences at 8:00pm and our special guest is Bruce Roberts, who will be talking about **Concorso** at this year's *Spettacolo Festa* - to be held over the weekend of 23rd & 24th November.

Our first event in July was the Alfa Club Sprint (Round 4) at Phillip Island which was again a very successful day with over 100 entries. In mid-July, members attended "Cars and Cannoli" at Benzina Stables. This is now an annual event, supported by many Italian car clubs and motoring enthusiasts in Victoria. Members had a chance to view unique and rare Alfa Romeos alongside other Italian marques.

July's Club Night was also a special event, as we celebrated the birthday of our Club Patron, David Wright, with a magnificent cake.

Finally at the end of the month, our new 940 Register Captain, Pam Chambers, organised a Sunday Drive from Pelicans Landing in Tooradin to Corinella via Grantville. It was a chilly day and despite occasional bursts of brilliant sunshine, there was rain and more rain. But attendees were rewarded with a great meal and typical Alfisti camaraderie at La Provincia Café in Corinella.

The Club is seeking assistance from Club Members to fulfil several still vacant roles: e.g. Club Shop and the GTA Register (147, 156 & Giulia GTAs & GTAm). Please contact me if you can assist with either of these important roles, or if you would like to volunteer to assist with the planning of a Sunday Drive or other Club activity or to help at a Club Competition event.

Otherwise

Check the [calendar](#) on the Club's website for new and updated events. You will also find information on Club events on the Club's [Facebook](#) page, and in the Club's quarterly magazine [Cross + Serpent](#).

Alfa Romeo Owners' Club of Australia plaque @ Museo Storico

The Alfa Romeo Owners' Club of Australia was recently recognised by Stellantis' Museo Storico Alfa Romeo, now called **Museo Alfa Romeo - La macchina del tempo** (the Alfa Romeo museum), in Arese Italy, by the inclusion of an AROCA Club plaque in the Club Corner of the Museum.

The AROCA plaque now hangs among a large and international collection of Alfa Romeo Club plaques in the museum.

Below is an image of the AROCA plaque prepared and provided to the museum by AROCA Victoria.

Situation Vacant

AROCA Victoria - GTA Register Captain

Our Club is seeking a volunteer to manage our 147 GTA and 156 GTA Register portfolio.

This is a great position for an owner or enthusiast of these distinctive Alfa Romeo models which were only sold in Australia between 2002 to 2006.

As a Register Captain, the Club would want you to promote the relevant models to the benefit of Club members - you do not have to be a mechanic, but a basic knowledge of the series is desirable.

Key role requirements:

- Reach out to the owners in the Club
- Work with other Register Captains with the running of Club Drives
- Work with the Register Co-Ordinator to help organize the annual Spettacolo Show & Shine.

For more information about this important opportunity, please contact the Register Coordinator:

Spettacolo Festa 2024

Saturday 23 & Sunday 24 November

Spettacolo is AROCA Victoria's major annual social display festival.

The **Spettacolo Festa** comprises three events (tickets for each will be available soon):

Spettacolo **Concorso**: for outstanding examples of classic **Alfa Romeos**
(*Judging occurs on Saturday 23rd with the award presentations on Sunday 24th*)

Spettacolo **Dinner** on Saturday evening (venue TBA)

Spettacolo **Show & Shine** display on Sunday 24th from 9:00am 'til 3:00pm
Held at Wesley College, 620 High Street Road, Glen Waverly

All Alfa Romeo enthusiasts, members and non-members alike, are invited and encouraged to attend Spettacolo. All Alfisti are invited to display their pride and joy in either the Concorso or the Show & Shine competitions.

The Club's Committee members, Club Membership officers, Club Shop (club merchandise), food and coffee vendors are all available throughout the day.

Trophies, which are donated by the Club's Sponsors, are presented to the winners of each class. There are typically about 30 categories judged each year which include all models of Alfa from the earliest to the latest, separated according to Sedan, Coupe and Spider.

Photographs of the winners will also be published in the Club's magazine **Cross + Serpent**.

Preparing your car for display at **Spettacolo 2024**

By Concorso Director: Bruce Roberts

Work is progressing on AROCA Vic's biggest annual event, **Spettacolo**, and it is time for you to start preparing your car for display. The 2023 event attracted about 350 examples of our favourite Italian marque.

The 2024 event returns to the manicured lawns of the Wesley College Glen Waverley campus (620 High Street Road) on Sunday 24th November 2024.

To display your Alfa Romeo at **Spettacolo** just turn up on the day and pay the \$10 admission fee at the gate. You will then be directed to the appropriate area for your Alfa Romeo. You will also be provided with a **Show & Shine** entry form / score sheet which you need to complete and submit to the HQ Tent if you want your Alfa Romeo included in the optional **Show & Shine Competition**.

On the 3rd August we held a *Concorso and Show & Shine Detailing Workshop* at [Advanced Detail](#) in Cheltenham – Huge thanks to Damian and Michael for providing a session to help members prepare their loved vehicles for future events. The session provided great insights into maintaining the exterior of your car – and while they're 'passionate about detailing' they focused a lot of the session on DIY processes. If we get requests to run a future session, then we'll see if we can work with Advanced Detail to run another session. They also provided coffee and cakes for the attendees.

Depending on how keen you are at polishing and detailing, now is the time to choose your path to the huge *Spettacolo* car display and possibly a great prize to reward your efforts. Have a close look at your Alfa, make a list of those items you have been meaning to tidy up to make your car look its best.

Getting a car into show condition always takes more effort and time than we think, so start early. There will be two levels of display competition for members to choose from this year:

- **Show & Shine:** Proud owners of good clean Alfa Romeos are encouraged to enter the **Show & Shine** event, which will be judged on **presentation** at *Spettacolo* on Sunday 24th November.

The judges will inspect your car's exterior and interior for cleanliness. Cars will compete in the categories defined by the Club's Registers. A tie breaker can be used to determine a winner.

*Make sure that you submit a **Show & Shine** entry form on the day, or your Alfa Romeo may be overlooked. Entering the Show & Shine is optional and it is free.*

- **Concorso:** Members with standout examples of their Alfa Romeo model may choose to enter the **Concorso** event, which is judged on **presentation and authenticity** (except the Modified Class). This event will be judged on the day before *Spettacolo* – Saturday 23rd November – at Mauceri Motors.

Judges will inspect paint, chrome, detailing of the exterior, interior and boot, cleanliness and detailing of the engine bay, under wheel arches and – in the case of a tie – the chassis will be inspected on a hoist. All operating systems – lights, horn, wipers, etc – will be tested.

Concorso will be scored according to the International Chief Judge Advisory Group (ICJAG) system. This system has been used at Concorso in recent years and is used at most major Concours d'Elegance including Pebble Beach, Amelia Island, Villa d'Este, Blenheim Palace, Sydney Harbour and previously at Motorclassica.

Concorso entry forms and payment details for the \$85 Concorso entry fee will be advised soon. To give more members a chance to compete in *Concorso*, the Class structure has been expanded:

1. **Vintage** – Alfa Romeos manufactured prior to 1950.
2. **1900, all 750 and 101 Giuliettas, 2000/2600 and TZ models.**
3. **All 105s** including Giulia, Coupe, Spider, Montreal, Junior Z models.
4. **All 900** Alfasud, Sud Sprint and Alfa 33 models.
5. **All 116** Alfetta and Giulietta models.
6. **All post-116 models** including Alfa 90, Alfa 75, ES30 (SZ & RZ), Alfa 164 and Tipo 916 cars (manufactured prior to 1999 and eligible for historic permit plates).
7. **Modern Classic** – cars built from 1999 to 2004 including 916, 147, 156, 166 on full registration.
8. **Preservation** - This class is first judged for originality/authenticity. Only **non-restored** cars made before 2004 that are clean, fully operational examples in well preserved original condition are eligible. Work done for roadworthy, safety, routine maintenance, and minor cosmetic/structural/operational work to exterior, chassis, interior and mechanicals repairs following accident damage are permitted but must be declared. Seriously deteriorated “barn finds”, or static, non-running cars are not eligible.
9. **Modified** – any pre-2004 Alfa Romeo that has been modified in body, interior or mechanicals. For example, fast road and/or track cars.

As we progress with the plans for the **Show & Shine** and **Concorso** it may be necessary to make changes along the way which will be posted on the web site, so please stay informed.

To make your Spettacolo 2024 a year to remember, we hope you will join in the fun and excitement of entering one of the Spettacolo display competitions.

Alfisti Luncheon in the Goldfields

Monday 22nd July

Words & selfie by Leon Cottle

In what seems to be developing into an annual event, several 'senior' members of AROCA (Vic) gathered in Ballarat for another 'Alfisti catch up over lunch'. In late July, Vin & Marie Sharp were on route to Adelaide, so they called into the Ballarat Yacht Club, situated on the shores of picturesque Lake Wendouree, for an impromptu lunch with four of the 'local' Alfisti. It was another great time spent together, with good food, great discussions and many 'interesting' Alfa tales.

The photo above shows some of the attendees, from left to right: Leon Cottle, Anne Beck, Marie & Vin Sharp. John Coco and Marg Cottle were also at the lunch but had left before Leon got to snap the selfie.

Goldfield's Chapter drive to Trentham

Sunday 4th August

Words & Photos by Leon Cottle

Another **Goldfields Chapter** drive on an 'invigorating' winter's day in the Goldfields region! A 'brisk' 4-degree, yet sunny Ballarat morning, greeted a group of 32 enthusiastic Alfisti for our Sunday drive from Ballarat to Ballan for morning tea and then onto the 'Pig & Whistle' Hotel, near Trentham for lunch.

Our morning tea stopover was in the small town of Ballan, at the 'Millfield Café' where their lovely warm wood fire, and excellent coffees and snacks, were greatly enjoyed. The young Café team were certainly kept very busy trying to get all our orders through, plus serving other locals as well.

Our lunch venue, the iconic 'Pig & Whistle' Hotel is located 4km east of the Trentham township and is often referred to as "The Pub in the Paddock". It's quite a 'rustic' establishment with its history dating back to 1887 and it continues the true Australian Pub culture.

A thoroughly delightful way to spend a Sunday – a nice drive with 18 Alfas (and 8 of them hailing from Melbourne!) through the scenic Goldfields region. Followed by a relaxed and very enjoyable lunch, shared with an exceptionally pleasant bunch of friendly Alfisti. Not to mention the opportunity to ogle many fine examples of the Alfa Romeo marque. Just perfect!

Many thanks to John Coco for planning the day's event, it was greatly appreciated by all attendees.

Don't miss Leon's full report on this drive in the next edition of **Cross + Serpent**

1981 Giulietta 1.8

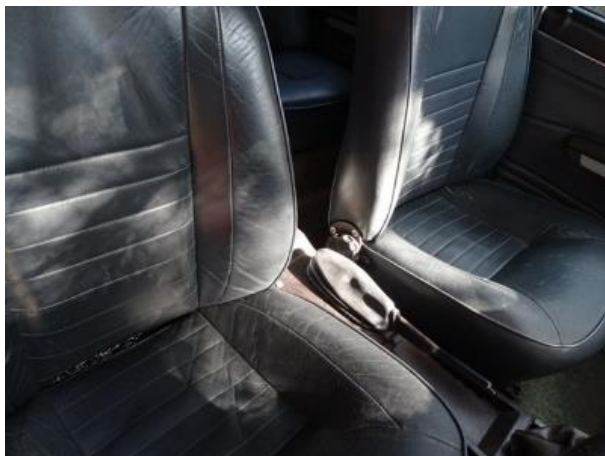

I have been tasked with the disposal of my late cousin's 1981 Alfa Romeo Giulietta.

It has been unregistered since early 2021 and is now in a sorry state. It has rust problems, but it is still recognisable.

It is either a serious project for a dedicated restorer, due to the level of rust, or perhaps it could provide salvageable parts for another project. It is mechanically intact, includes a set of keys, but minus battery.

The vehicle is currently located in Cheltenham, but it needs to move soon in order to clear the property.

Any reasonable offer accepted.

Club Permit Scheme - Permit Renewals

The easiest way to **Renew is online**, as follows:

1. Go on the Vic Roads website and open an account;
2. Once your account is open that will automatically pick up any fully registered vehicles in your name, but it may not pick up the club plated vehicles;
3. If your Club plated vehicle is not picked up, manually add your club plated vehicle to your account. It usually takes Vic Roads 24 hours to add it to your account;
4. Once your club plated vehicle is added to your account, email a copy of the Club plate renewal form to cps@alfaclubvic.org.au
5. The CPS Officer will then email you a completed and signed *Club Endorsement Form*, provided you are a financial member of the Club;
6. Once you have the signed *Club Endorsement Form*, go into your Vic Roads account and next to the club plated registration there should be a "Pay" button. Click on that and you will then be asked to upload the *Club Endorsement Form* **and** registration renewal certificate (signed by you); you can then pay your club registration by following the instructions.

Renewing by Mail

1. Applicants must be a current Club member and still the registered owner of the vehicle.
2. On receipt of your CPS Registration Renewal from VicRoads, sign where required.
3. Select the 45 or 90 day option.
4. Obtain a stamped, self-addressed, envelope.
5. Send renewal form and stamped, self-addressed, envelope to: CPS, PO Box 7076 Banyule Vic 3084.
6. The CPS Officer will check the membership records and then return the signed renewal form to you if you are a current financial member.
7. Upon receipt of the signed renewal form, take the signed renewal form and payment to VicRoads.
8. The renewal form has the option of allowing the vehicle owner to pay the renewal fee by enclosing a cheque made payable to Vic Roads. If you want to do that, enclose a cheque payable to Vic Roads, but ensure that the stamped, self-addressed, envelope you enclose is addressed to Vic Roads. The registration renewal form also requires your signature, so be sure to sign it as the permit holder as well. The CPS officer will then mail the registration renewal form to Vic Roads on your behalf.

Renewing in Person

You are welcome to attend the Club meeting, which occurs every second Wednesday of each month, and seek out the CPS officer for his signature, but be sure to have your current Club Membership card with you to prove you are a financial member.

If the CPS officer is not in attendance, there will be someone else present from the Club's Committee who will be authorised to sign your renewal form.

Permit Validity

If you allow your AROCA membership to lapse, you will then be driving an unregistered vehicle.

AROCA is required to notify VicRoads of any AROCA member using a club permit who becomes unfinancial. If you have a club permit it is important that you pay your membership fees or your vehicle will be deemed unregistered and illegal to operate on the road.

It is also a requirement of the scheme that AROCA notifies VicRoads of any misuse of CPS log books and/or CPS registered vehicles.
