

I have tried not to hurry, but I have discovered the worst that can happen is a great hill, one only finds that there are many more hills to climb. I have taken a moment here to rest to steel a man of the spirit and mind that surrounds me, to let him on the distance I have come, but I am not only for a moment, for with freedom comes responsibility, and I don't just leave for my long walk, it not yet ended.

Wladimir
